## FEBRUARY 2010

Dear Daycare Friends and Families,

This month Daycare Friends will be exploring shapes and colors. Children will be drawing, painting, cutting and building to create masterpieces with shapes. We will be celebrating Groundhog's Day with a song, a story, and a fun activity. Daycare Friends will be introduced to 'Daycare Duties' this month. The children will be given classroom jobs to teach them responsibility and teamwork.

Please remember to wear **RED** or **PINK** on Friday, February 12th. We will be celebrating Valentine's Day early this month with a tasty treat!

Stay warm out there in the chilly weather!

Thank you!  
Ms. Strobino  
Ms. Wein
