School begins @ 12:15pm  
School ends @ 3:00pm

Enter for Preschool and Kindergarten Drop-Off

Parents: Those parents dropping off children for preschool and Kindergarten should drive into lower parking lot, remain in line to crest of the hill. Do not block cars entering and exiting from upper parking area as parents are dropping off and picking up children in the daycare. The cars in line will move forward when the teachers come outside to greet the children. Teachers are not able to place children in their car seats or buckle them in due to liability issues.

Remain at crest of hill.
