

March

Dear Daycare Families,

Last month we had so much fun Learning about Transportation. The children had a blast learning about four ways of travel- air, ground, track or water. Many were able to discuss why we use different types of transportation. The Daycare's dramatic play was transformed into an airport which was a hit this month. The children were able to turn themselves into a pilot, a traffic controller, a passenger/ traveler , or a flight attendant. The children worked hard at learning about 3-d art by creating their very own airplane as well as practicing their cutting skills. We explored concepts of big and little, what parts you need for a vehicle to move from one place to another, and many exciting new vocabulary as well.

This month we will be reviewing the concepts of shapes and colors. We will be having a hands-on experience while exploring color mixings, sorting and building pictures out of various shapes. The children will be creating their very own color book since we have been so interested in being authors and illustrators! The children will be busy in the kitchen as well making delicious treats!

This month we would like to welcome Markus to the daycare classroom. We are looking forward to having a new addition to the Daycare classroom!

Just a friendly reminder that we do go outside twice a day for at least 15 minutes. Please remember to provide the following 5 items: hat, mittens/gloves, boots, snow pants, jacket to enable your child(ren) to have a fun experience when we take them outside. We do follow the state childcare weather chart where if it's under 20° we will not be going outside-instead we will be participating in music & movement activities. **During this wet and muddy season we are asking that you send your child into daycare with a few extra pairs of socks and a change of clothes. Sometimes outside play can get a bit messy!**

Sunday, March 13th- Daylight Savings Time (Don't forget to turn your clocks 1 Hour Ahead!)

Tuesday, March 15- Scholastic Book Order due!

Thursday, March 17th- Happy St. Patrick's Day!

(Wear Green!)

March 11- Georgie

March 20- Amber
