

Playmates Preschool February 2011

Welcome to the month of February. We will begin with predicting "Will the ground hog see his shadow? Will there be 6 more weeks of Winter?" Maybe an early Spring?

Your children have been working very hard on dressing for the outside. Each day we see them become more independent and VERY proud of themselves. Keep up the great work. Thank you for continuing to send in their snow gear!

February is a month full of hearts, love and friendship. We will be having our Valentine exchanges on Monday, February 14th and Tuesday, February 15th. You will find a class list attached to this newsletter. Please remember that writing valentines is a fun opportunity to practice writing our names!!!! Some may even be able to write their friends and teachers names! Valentine treats are always appreciated! February is also dental month. We will be talking about how to keep our smiles bright and our teeth healthy. We love guest speakers, so if any of our parents are in the dental field we would love to have you speak to the class!

We will be having our annual Playmates Post Office up and running. Please send in any junk mail you might like to donate to our happy postal workers! "Real" mail is so much fun.

Show and Tell will be on February 3rd and 4th. Book orders are due February 9th. There is no school on Friday, February 18th (Professional Development Day), the daycare is open for those who need it. Winter vacation is from February 21-25. See you February 28th!

Your children did AWESOME on the thinking game. Our parent conferences are this month. We will be contacting you to set up a convenient time to meet. You should be very proud of your children. They are the best!

Happy Winter Vacation. Enjoy and Relax!
Ms. Cregg, Mrs. Dooley and Mrs. Hawkins

February Skills

Letters and sounds:

Hh, Ii, Jj

Numbers: 8, 9
