

Playmates Learning Center Preschool November 2010

Dear Parents,

We hope you enjoyed our Preschool Parent's Night as much as we did. Thanks to all who were able to come and for TRYING to do your best. Please feel free to make any suggestions for our next years night.

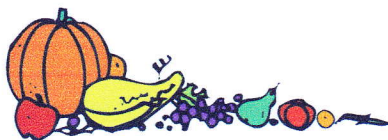

November is certain to be another exciting and fast month in preschool. Throughout the month we will learn about the importance of family and friends. Parents are invited to share in any family traditions with their child's class. Please let us know so we can plan a convenient time. Thank you to all of our "Mystery" readers. If you would like to be a reader this month just let us know! The children love having parents or grandparents join our story time. We will also be learning about the first Thanksgiving feast and the sharing between Native Americans and Pilgrims. There will be lots of discussion about the silly bird Mr. Turkey and we will be learning about the rectangle, letters D and E and reviewing numbers 0 - 5.

On Wednesday and Thursday, November 3rd and 4th, we will be talking about the "Fall Harvest". We will be making some yummy fall foods and sharing a fun day with the Kindergarten. Be sure to dress for a fall harvest celebration (overalls or blue jeans). Show and Tell will be on November 18th and 19th.

Just a few reminders: family projects will be due the week of November 15th and book orders are due November 10th. There will be No School on Thursday and Friday, November 11th and 12th. The daycare will be open for those who need it. Our Thanksgiving vacation days are November 25th and 26th. There is No School on Wednesday, November 24th but the daycare is open for those who need it!

Please be sure that your child has appropriate outdoor wear for the cooler weather. We will still like to get them out everyday. As many of you know, the children have been working hard at trying to dress themselves for outdoor play. This means: fixing inside-out sleeves, putting on their own coats using the "coat trick" and even zippering. Please encourage and notice your child's efforts. It is amazing what they accomplish when they try! In the event of snow, we will follow the Timberlane NO SCHOOL announcements. In the event of a delayed opening, we will have school at the regular starting time. This year we ask that the children do not wear slippers in school, please have them bring sneakers or shoes to change into after they take off their boots.

Have a Happy Thanksgiving! Ms. Cregg, Mrs. Hawkins and Mrs. Dooley

November Skills

Letters D and E

Number Review: 0-5

Counting to 20!

Shape: Rectangle

Cooperative play and sharing.

Matching Skills

At Home

- *Share a family photo album with your child.
- *Give your child little jobs around the house.
 - *Search for Rectangles.
- *Ask your child to find familiar letters while you read.
- *Have your child clip coupons, practice cutting skills.
- *Have your child find things that are same/different.
